

Professional Development Support for the Common Core State Standards

ERG is dedicated to modern and innovative staff development that focuses on the job-embedded coaching process. No substitutes are needed! Continuing our tradition of support, we have designed topics for schools and districts to help with the transition into Common Core State Standards and the Essentials.

Math K-8

Reasoning and Collaboration in Mathematics

- This service connects the Common Core Standards for Mathematical Practice to the Standards for Mathematical Content.

new!

What our clients are saying:

Mount Olive Elementary, Stokes County, NC

“Receiving real remarks in regard to my instruction in real time far surpasses any workshop where the speaker talks at you or reads from handouts.” —*Martha Sockwell, Classroom teacher*

Neal Middle School, Durham, NC

“ERG has master coaches who give exceptional feedback to inform the practice of every teacher—no matter where the teachers are in their work with Literacy and Math.” —*Jill Hall, Principal*

Rockingham County Schools, NC

“We attribute much of our 12 point gain in proficiency to our ERG support services. It’s a win-win situation with ERG!”
—*Cindy Corcoran, Former Principal*

Durham Public Schools, NC

“I continue to receive outstanding feedback from teachers and principals about the positive impact the ERG coaching/mentoring model is providing to our teachers at all of our sites.”
—*Dr. Deborah Pittman, Area Superintendent*
